ORDER:

While reporting that the Civil Supplies Transport Units have to be transferred very often from one district to another in the Province to meet emergent demands for transport in the districts thus resulting in considerable difficulty to the staff transferred to meet the expenses arising out of such sudden moves, the Board of Revenue (CS) has proposed that it may be authorised to sanction to the staff of the C.S.T.Units an advance of pay equivalent to the pay and allowances earned by each individual upto the date of transfer, whenever a unit is transferred from one district to another. The proposal has been examined by the Government. Under Article 72, Madras ~~Fundamental~~ Code Vol.I, the pay and allowances of Government servants become due for payment only on the expiry of the month to which they relate and no such payment should be made before the first working day of the next month. Article 239 Madras ~~Fundamental~~ Code, which regulates the drawal of advances of pay on transfer, also does not provide for advances to cover part of a month's pay. However, in view of the hardship to the staff pointed out by the Board, His Excellency the Governor of Madras directs that the staff in question be brought under the operation of exception to Article 72, Madras ~~Fundamental~~ Code Vol.I, and paid pay and allowances due to them upto the date of transfer, whenever a unit is transferred from one district to another.

2. Necessary amendment to Article, 72, Madras Fundamental Code.Vol.I will be issued in due course.
